ANA ISABEL PATIÑO OSORIO

ABOUT ME

I am passionate about technology and innovation. I'm motivated by continuous learning, embracing new challenges, and growing professionally by adding value through innovative projects.

EXPERIENCE

- Collaborated on the development of full web applications, from planning and design to implementation and maintenance.
- Implemented relational and non-relational databases, optimizing queries and ensuring data integrity.
- Worked closely with design teams to ensure a smooth and functional user experience.
